

The undeniable *NEW NORMAL*

ACKNOWLEDGING the *new facts*
CREATING a *new public awareness*
FORMULATING *new strategies*
ENACTING and COMPLYING with *new rules*

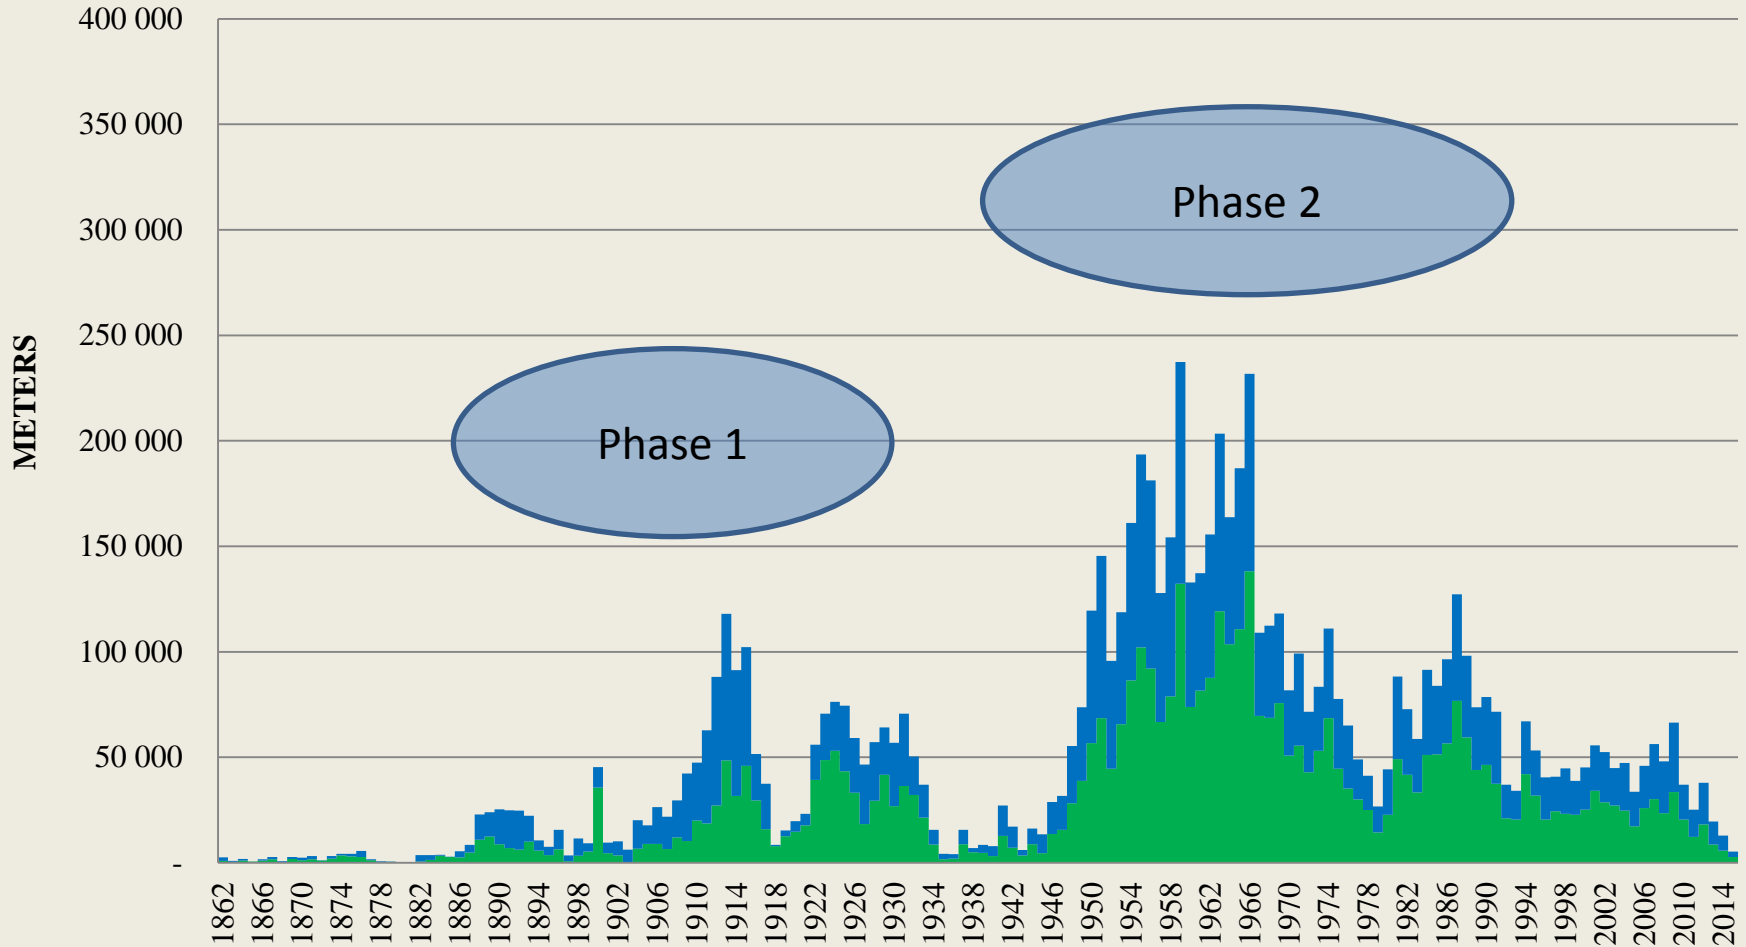

Canadian Water Network
Blue Cities 2016
Toronto, May 19th 2016

CHANTAL MORISSETTE
Director, Water Service
City of Montréal

Installation :

2 phases linked to development

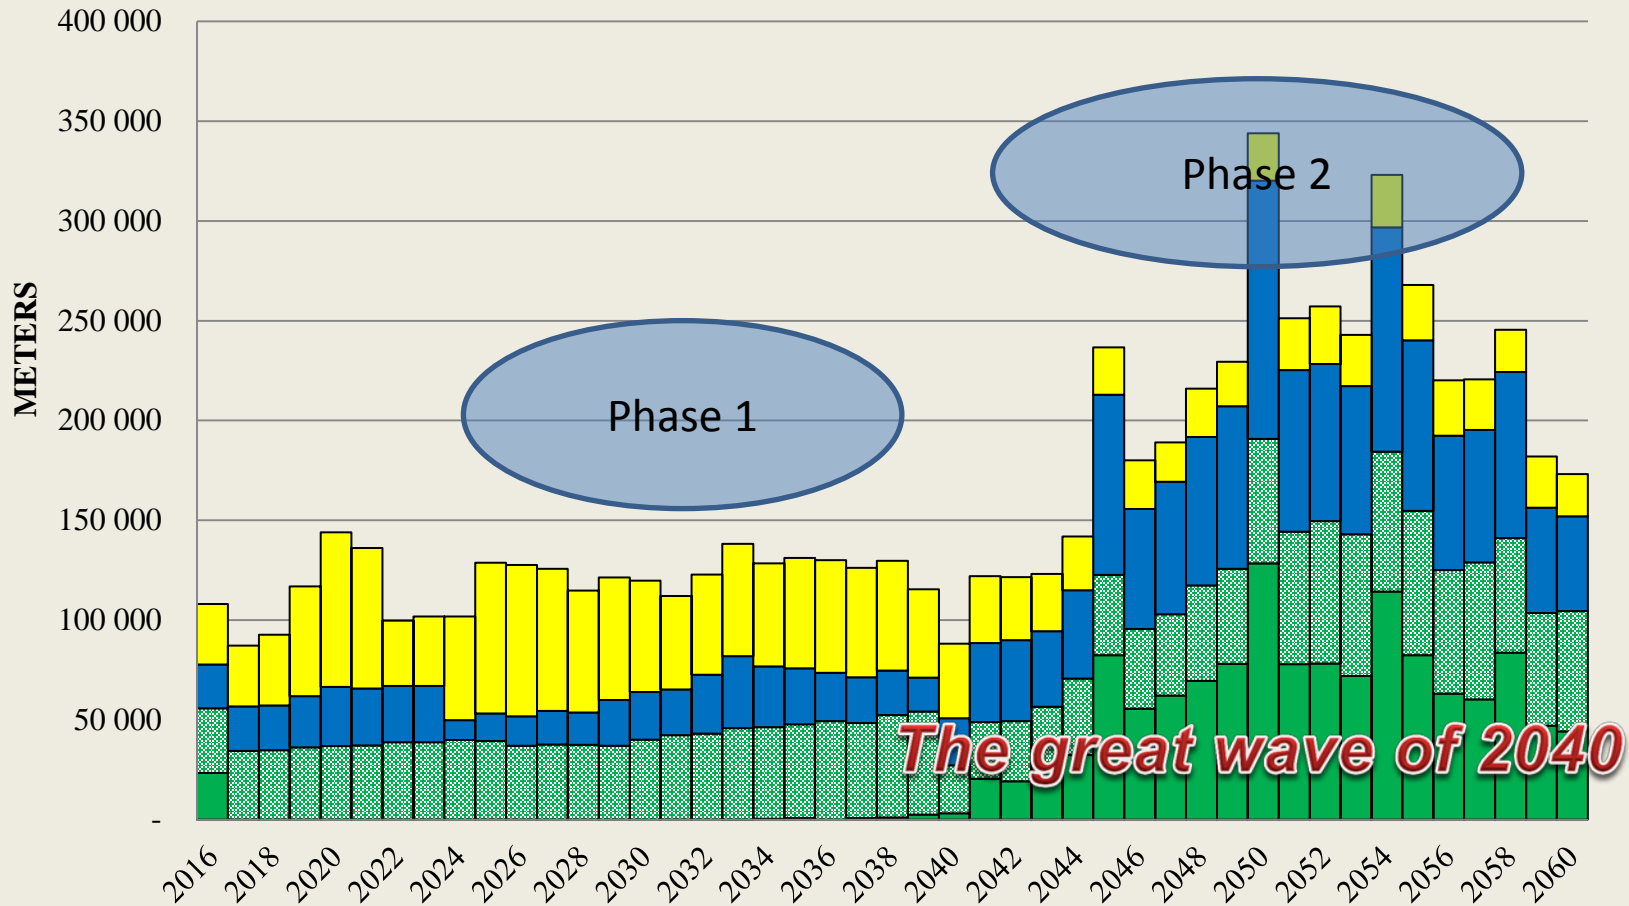

Installation years (watermains and sewers)

Replacement:

2 phases linked to past development

Replacement years (watermains and sewers)

The great wave of 2040

INNOVATION AND PARTNERSHIP

The Link between Engineering and Public Expectations

- ◉ ENGINEERS need...
 - ◉ Sound and fail-safe technical information
- ◉ INDUSTRIES and UNIVERSITIES must provide
 - ◉ Knowledge
 - ◉ New technologies
 - ◉ Paths to synergy
- ◉ THE PUBLIC needs...
 - ◉ High level of performance
 - ◉ Low level of disturbance
 - ◉ Smart, understandable, relevant information
